## **STATEMENT REGARDING UNFUNDED PSYCHOLOGY INTERNSHIPS**

*Revised 8-27-2010*

*The California Psychology Internship Council (CAPIC) endorses the following statement regarding unfunded psychology internships:*

**“CAPIC discourages unfunded internships but does not specifically prohibit them when the absence of a stipend is clearly stated at the time the position is offered and accepted (both verbally and in writing). If unfunded positions are offered, training resources should be sufficient to afford the same training as fully funded positions.”**
