

2016 CAPIC Online Internship Match Schedule

KEY UPDATES:

This year, CAPIC will hold only one online match round, which will occur after the second APPIC Match results.

Students may participate in both APPIC matches and then (if unmatched) in the CAPIC match.

As always, students remain responsible for ensuring double matches (APPIC/CAPIC) do not occur.

Students must complete and submit their CAPIC application materials by the Feb. 26th CAPIC application deadline.

For the 2016 match, students from approved out-of-state academic programs may participate in the full online match process.
