Website: [www.walden.edu](http://www.walden.edu)

**Starting with the 2017 CAPIC match, students from Out-of-State Associate academic Program Members may participate during the normal online match process, and not simply in our Clearinghouse phase.**

#### **Other Eligible Out-of-State Associate Doctoral Academic Program members:**

CAPIC considers APA-accredited doctoral academic programs as having the requisite academic rigor and training to meet CAPIC standards. .

Other regionally accredited but non-APA-accredited doctoral academic programs are encouraged to seek CAPIC membership by reviewing the academic program membership criteria and going through the standard application review process outlined on the Join CAPIC webpage.

#### **Non-CAPIC-Member Doctoral Academic Programs:**

Except as noted immediately above, students from schools which are not CAPIC members are not eligible to register nor participate in the CAPIC match process, including Clearinghouse.

- CAPIC is a membership organization and CAPIC internships are available only to students from CAPIC-member Doctoral Academic Programs, including associate ones.
- Only students from CAPIC member or associate doctoral programs are authorized to state that they have completed a CAPIC internship.

Doctoral Academic programs interested in joining CAPIC should review the criteria and procedures posted on the [CAPIC website](#).
