The CAPIC Board elections were held from June 15 through June 30, 2017.

- Votes were accepted via online ballot and traditional paper ballot.

The CAPIC office managed the collection and verification of the votes by:

- Confirming that all votes were cast by only Active CAPIC Program Members;
 - o Sending confirmations to each person who voted;
- Confirming that only one vote was cast for each Active CAPIC Program;
 - o Note: Two program representatives properly cast their vote on behalf of two Active CAPIC programs and both votes were properly counted.
- Removing any identifying information; and then
- Tallying the votes.

The CAPIC board Secretary then certified the above election results.

- Terms for the above-elected directors began on July 1, 2017.
