The CAPIC/MHSA psychology intern stipend program is funded by the Mental Health Services Act (Prop 63).

Under its previous MHSA contract, CAPIC has awarded \$4,121,185 in stipends to a total of 218 students.

CAPIC was awarded a new contract in 2016 from the Office of Statewide Health Planning and Development (OSHPD) to continue to provide stipends to doctoral level clinical psychology students who are committed to serving in the publicly funded mental health system in California
