CAPIC/MHSA Psychology Intern Stipend Program Year 6 (2013-2014) Awardees Announced!

The CAPIC/MHSA psychology intern stipend program is funded by the Mental Health Services Act (Prop 63).

CAPIC was awarded a contract (as amended) for over \$5.1 million from the California Department of Mental Health (CA/DMH), now managed by the Office of Statewide Health Planning and Development (OSHPD), to provide stipends to psychology students completing internships in publicly supported mental health agencies in California.

Over the past 5 years, CAPIC has awarded \$3,394,165 in stipends to 181 students. Integrating Year 6 awardees (with \$727,020 being awarded to 37 students), CAPIC will have awarded \$4,121,185 to a total of 218 students.

This is the final cohort of stipends that CAPIC will be issuing under this MHSA contract. We are honored and proud to have been able to advocate for psychology in public mental health settings these past several years, and we are especially proud of the students who have been a part of this important program.

Below are the Year 6 (2013-14) CAPIC/MHSA Stipend Awardees, listed with their Doctoral Program. Congratulations!
