Home About CAPIC Online Match Students Program Members Events Resources

CAPIC is an association of doctoral academic programs, internships and postdoctoral programs recognized by the California Board of Psychology as a pathway to licensure.

CAPIC promotes diverse, local and high-quality psychology training that addresses students' professional needs as well as the mental health needs of our often underserved communities.

Learn about CAPIC's unique place in professional psychology training. See if CAPIC is the right fit for you!

Annual Attestation

All CAPIC Programs must complete an annual QA attestation on their understanding of and compliance with CAPIC membership criteria, policies and procedures.

Complete Payment

InternFit requires a $200 per-school-year fee to enable you to be matched with an internship site. Until you complete this payment, you will not be able to submit your application materials and proceed with the application process. Please note that this fee is non-refundable.

Unfortunately, you cannot proceed with registration at this time. Until your doctoral academic program has its annual attestation on file with CAPIC and its dues are paid, you will be unable to Pay the Application Fee or Submit your CUA for Review. You may work on your other application materials, but you will otherwise not be able to proceed further until your CUA is submitted and your application fee paid.

Your doctoral program's current status is reported as:

Attestation on File: **NO**

Dues Paid: **NO**

Contact your doctoral academic program directly to address these issues. Do not contact CAPIC or submit a Help Ticket to address it.

It may take up to ten business days for completed items to be manually updated here. Thanks for your understanding.

This is the list of tracks defined for your Internship Site, along with how many openings you have. You may Add, Edit, or Delete tracks up until the Application Submission Deadline, March 5. After that date, you may only Delete tracks.

These tracks are associated with the Site listed above. If you manage more than one Internship Site, you can click on the drop-down arrow next to the title here to switch which Site you are managing.

When applications are submitted you will see them displayed here. Students may submit applications from February 1 to March 5. Please be aware that students submit applications on a per-Track basis, so if you delete a Track after students begin to apply, their application submissions will be deleted as well, and they will need to resubmit applications to your new track offerings.
When you begin ranking students, the number of students you have ranked for each track will display. We recommend ranking as many students as you can to ensure the highest possible match rate.

Until you have your attestation on file with CAPIC and your dues are paid, you will be unable to approve and rank applicants, however you can still manage your tracks below. Your current status is reported as:

Attestation on File: **NO** Click here to complete the annual QA attestation. Visit the CAPIC QA webpage for more info.

Dues Paid: **NO** Refer to your program's dues invoice. Contact the CAPIC Office if needed.
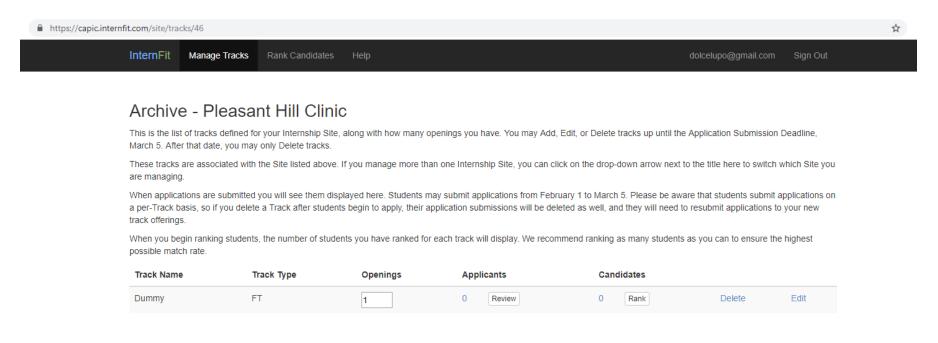

NOTE: It may take up to ten business days for completed items to be manually updated here. Thanks for your understanding.
